Mount 175 Student Leadership Conference at MSM

Parents are reminded that holidays are not allowed during term time except where there are mitigating circumstances. Permission for absence in such cases must be sought from the Headmaster.

The academic term dates are published to parents in advance in order to facilitate arrangements for pupils who live overseas. Convenient air flights on the day prior to the end of term are not considered a reason for asking to leave school early. In such cases, students should depart on the day set and stay with their guardian until the next convenient flight. This also applies to return flights.
